## Networking Reception

Connect with peers and industry leaders during the exclusive networking reception and partner dinner.

# Why attend a **Summit** near you?

## Network with peers and leaders:

Build valuable connections with business executives, AI specialists, and technology partners to explore collaboration opportunities.

## Experience cutting-edge innovations:

See live demonstrations of real-world applications driving productivity, safety, and sustainability across key sectors.

## Learn from experts:

Hear from top industry leaders and AI pioneers on how real-time intelligence is reshaping industries.

# Why Partner with Vantiq

1

**Enhance brand visibility:** Be associated with cutting-edge AI innovation, gaining exposure across diverse industries and global markets.

2

**Showcase thought leadership:** Participate in panels and discussions, positioning your organization as a key player in AI, GenAI & Agentic AI systems.

3

**Access new business opportunities:** Direct engagement with decision-makers from critical sectors such as healthcare, government and public safety.

4

**Cross-region access:** Participate in multiple regional summits to extend your reach and influence.

# Call for presenters

We are inviting thought **leaders**, **experts** and **innovators** to submit proposals for speaking engagements at the Vantiq Agentic AI Summit.

This is **your opportunity** to share insights on AI's real-world impact and **position yourself** as a leader in the industry.

# How to apply:

Submit your speaker details and a presentation abstract that highlights how your topic aligns with the summit's themes. Presentations should offer actionable value to attendees and complement the event's focus on generative AI's transformative capabilities.

Selected presenters will have the chance to participate in keynotes, panels or fireside chats, reinforcing their position as thought leaders in AI innovation.

Please email [info@vantiq.com](mailto:info@vantiq.com) to submit your title and abstract now.

# Marketing & media coverage

As a partner sponsor, your organization will benefit from extensive marketing and media exposure:

**Media coverage:** Gain visibility through features in top tech and industry media outlets.

**Digital campaigns:** Promotion across LinkedIn, Twitter/X and YouTube with targeted campaigns highlighting your brand.

**Summit webpage:** Featured on the event's webpage with your company logo and speaker details.

**Content collaboration:** Contribute to blogs, podcasts or video content discussing your innovations and AI's role in solving mission critical global challenges.

**Post-event content:** Access recordings of sessions and interviews to share with your network for lead generation and continued engagement.

# Join us to shape the future of Agentic AI

Don't miss this opportunity to engage with the world's leading minds and organizations at the Vantiq AI Summit. Let's work together to innovate, solve critical challenges and build a smarter, more sustainable world.

Email [info@vantiq.com](mailto:info@vantiq.com) to get started with your participation in your local Vantiq AI Summit.
